

Workout Party

Team: Ethan Shahbazian, Frank Zheng,
Jason Jewik, Yunfan Zhong

Overview

- Workout Party™ is an app that lets people workout together!
- Users can create workout “parties,” and share the same workout routine
- This way, people can stay more connected and motivated throughout quarantine

Tech Stack

React Native

express

^ Expo

mongoDB®

Future Features

- Ability to see your friends' live workout progress
- Notifications and more security when adding people to a party
- Video chat
- Spotify integration
